Revised -2007 syllabus is discontinued, students studied from this syllabus but could not be graduated due to failing in some subjects can be awarded the degree only when they pass in all subjects and comply with the eligibility criteria as per Revised 2007 syllabus for the award of degree of B Pharm. Since the university will no more conduct the examinations for the subjects from Revised 2007 syllabus, there is a need to find out the subjects from CBCS 2016 syllabus which are equivalent to subjects from Revised 2007 syllabus so that students can appear for such subjects and marks can be appropriately integrated into the gazette as per Revised 2007 syllabus by carrying forward the earlier subjects cleared by a student.

In the meeting of ad-hoc BOS, Pharmacy conducted on 2<sup>nd</sup> November 2020, it was resolved that the students who failed in the various subjects as per Revised -2007 syllabus in various semester shall be allowed to appear for examination as per Choice Based Credit System (CBCS - 2016) syllabus in the subject of equivalence.

The subjects of equivalence are recommended in the following table:
