Action Taken Report on Feedback of Students on e-Class	
Class: Third Year B. Pharmacy	Academic Year: 2020-2021
Feedback Date: 17/07/2020 - 20/07/2020	

Sr. No.	Suggestion From Students	Action Taken
1	Please provide PDF (Repeated 4 more time)	All the faculty is directed to give sufficient study materials on the covered topics, additionally faculty is instructed to provide soft copies of reference books, if available
2	All is Satisfiable (Repeated 1 more time)	We welcome your suggestions & thank for your feedback. It is our continuous effort to provide you better in teaching-learning process.
3	If possible all teachers should use same app or same platform for online teaching. (Repeated 5 more time)	It has been observed that, majority of the students (62.7%) have suggested to use Zoom App for conducting online classes. Considering the suggestion, we have requested the concerned faculty to conduct lectures on Zoom App as far as possible.
4	Sometimes Network Problem (Repeated)	Network issue for engaging online is resolved from our end.
5	Network problem from our side	The recorded video lectures will be made available to the students soon after each lecture. The efforts have been made for smooth conducting of online lectures.
6	Recording the lectures (Repeated 1 more)	
7	Overall everything is going well but we use ppt slides for online classes that's actually good but I think if we use such sketch board to write or draw any it becomes easy & effective to understand . As our OC subject is taught in this manner so now this subject seems easy to learn . Also we don't have textbook for reference , if the teachers have pdf of those book , they can share with us , also they can share website links for any reference .	It is a welcome suggestion and positive feedback for OC. The efforts are being made for the smooth conduct of online lectures. All the faculty is directed to effectively use audio-visual aids and give sufficient study materials on the covered topics, additionally faculty is instructed to provide soft copies of reference books, if available.

Action Taken Report on Feedback of Students on e-Class		
Class: Final Year B. Pharmacy		Academic Year:2020-2021
Feedback Date: 17/07/2020 - 20/07/2020		
Sr. No.	Suggestion From Students	Action Taken
1	We want PC subject revision after joining	It is a welcome suggestion, revision of required topics will be carried out after resumption of offline classes.
2	Needs to resume physical classes earlier	Physical classes can be resumed only after receiving the notification from apex bodies considering safety of the students.
3	Need more notes <i>(Repeated 2 more time)</i>	All the faculty is directed to give sufficient study material on the covered topics, additionally faculty is instructed to provide soft copies of reference books, if available.
4	Network issue <i>(Repeated 2 more time)</i>	Network issue for engaging online is resolved from our end.
5	The lectures get extended even after 40 minutes and their is no break to the students and lectures continue one after another and which becomes hectic. For some students, it is not possible to attend 4 lectures in a day due to network issue, the amount net they get daily and battery drain out early.	All the faculty is directed to follow the time table and not to extend their lecture beyond the stipulated time and also instructions are given to the class coordinators to strictly adhere to time table. Considering the prescribed syllabus of university, the institute has frame the timetable in a best possible manner. The recorded video lectures will be made available soon after the
6	To be started on time..so that there is no delay in the further schedule.	All the faculty is directed to follow the time table
7	We can't attend lecture from 9:45 am to 3 pm or sometime it goes on till 4 pm . Main problem is during meeting network is not continue so in between the meeting automatically we left and again rejoining required some time so we not catch point what's going on ..so we request to its not comfortable our health and also mentally disturbed while using more time on online lec	Considering the prescribed syllabus of university, we have framed the timetable in a best possible manner. In exceptional cases, we have to conduct lecture in the afternoon session for which there is no other option.
8	Should reduce no. of online lectures in a day due to network issue. <i>(Repeated 1</i>

Sr. No.	Suggestion From Students	Action Taken
9	Previous years question papers should be provided so that we get a bit idea how the questions are asked in	It is a welcome suggestion. The efforts are being made to provide soft copies of previous year semester examination papers.
10	PC is not clearly understand in online sessions when college is opened take extra lectures for PC n clear all	It is again a welcome suggestion and revision of required topics will be carried out after resumption of offline classes, if
11	Not attend lecture regular because network issue more are there. Not audible properly. Not visible screen and many problem. (Repeated 1 time)	The recorded video lectures will be made available soon after the lecture shortly for the benefit of those students who have network issues.
12	Please don't take extra lectures.. As we already attend 4 lecs in 3 days of week as per the time table .. Some may find it difficult to concentrate or to watch the screen for extra time...some students are attending lectures by going far from house due to network issues. So it might be difficult for them also..	The extra lectures are being conducted in the interest of the students to complete the syllabus in a timely manner. The extension of lecture beyond the stipulated times is in rare cases for which all the students are bound to co-operate with college authority.

Action Taken Report

Faculty Feedback

Academic Year: 2020-2021(First Half 2021)

Sr. No.	Students' Remark/Suggestion	Action Taken
1.	Excellent teaching	As all the faculty feedback report was found to be above 90%, faculty were appreciated in monthly staff meeting held on 03/06/2021 by the Principal of the institute.
2.	Excellent teaching, I understand all the lecture and very good Interaction with student	
3.	Faculty takes his subject very finely and makes sessions interesting.	However it was recommended to the faculty to improve further especially in the parameter in which they got the least score.
4.	Faculty explains each topic thoroughly which helps to get better knowledge.	
5.	Excellent knowledge about subject	In addition to this, faculty were also suggested to attend QIP/FDP/Workshop etc. to keep them updated.
6.	Very clearly explain practical
