#### 15. Multidisciplinary / interdisciplinary

As per the National Education Policy recommendation for granting graded autonomy to the colleges, the goal of the Indira Institute of Pharmacy (IIP) is to get accredited by the National Assessment and Accreditation Council (NAAC) with the best possible grade and aim for the graded autonomy. On securing autonomous status, the institute will be empowered to design the curriculum of the program offered by the institute and include multidisciplinary programs in the curriculum. The institute initiated towards holistic and multidisciplinary education, by introducing a value based course on universal human value for Third Year B. Pharm students and we also offer life skills & sessions on Yoga to our students. Moreover, our students also participate in numerous community outreach programs through NSS, DLEE, and UBA units. Our sister institutes like Engineering, Polytechnic, Management and MoU partner institutes like Arts, Science and Commerce college ASP, Devrukh are present in the vicinity, which broadens the horizon to collaborate with them and work on multidisciplinary projects. This will also serve as a stepping stone for all PSPS institutes to attain the status at par with the implementation of NEP 2020. The exchange of students for various programs within the cluster shall be made possible. Bringing together a group of HEI's under PSPS will facilitate coordination with respect to the implementation of various academic and other policies of significance.

#### 16. Academic bank of credits (ABC):

Integrating higher educational institutions is the need of the day as we move into a globalized educational space. Indira Institute of Pharmacy has taken the initiative to enroll its students in the Academic Bank of Credits (ABC). The institute appointed a faculty as an Institute nodal officer who guides and helps the students with

ABC enrollment. The ABC IDs of the students enrolled in the institute is submitted to the university of mumbai.

#### **17.Skill development:**

The National Education Policy (NEP) 2020 heralds the potentially explosive growth of vocational education in the country since it requires all educational institutes to integrate vocational education into their offerings. IIP will work on capacity creation with the aim to ensure youth empowerment & cater to fulfill the increasing demands of the Pharma industry. The institute's plans are as follows: To develop workplace-related skills and attitudes through internship and on-the-job training. To focus on the inclusion of modern pedagogical and innovations in teaching learning. To collaborate with industries for imparting practical skills and hands-on experience and design industry relevant courses. To promote online uploading of lectures and encourage its faculty to use the concept of flipped classroom teaching.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

Since B. Pharmacy is a professional program, it is essential for us to follow the English language as a medium of communication. However, since most of the students are from rural areas and comfortable with the Marathi language the faculty ensures teaching bilingually to understand the core concepts. In order to inculcate traditional Indian knowledge, the institute celebrates important days like Marathi Bhasha Divas, Navratri, cultural and traditional days, constitution day, Yoga day, Independence day & Republic day.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Based on the norms of the National Board of Accreditation, our institute has implemented outcome-based education. The parameters that are used in order to measure the outcomes of our education system are Program Outcomes (PO) and Course Outcomes (CO). We are planning to go for NBA accreditation for our Diploma program in the Academic year 2023-24. Flexible curricular structures with multiple entry and exit points. In concern to this, a creative combination of disciplines in the HEI clusters of PSPS and provision for multiple entry & exit is possible as soon as the Ministry of Education & UGC provides the statutes & guidelines towards it. Innovative curriculum that includes credit-based courses and projects in the areas of community engagement and service, environmental education, and value-based education. IIP follows the syllabus of the University of Mumbai based on the national-level

syllabus designed by PCI. The syllabus includes Practice School and Research projects which focus on the outcome of experiential learning. The subject of universal Human Value is introduced at the semester V level having a valuebased education perspective. The course 'Environmental Sciences' considers all the aspects of environmental sustainability. Thus, IIP has various community outreach initiatives such as Unnat Bharat Abhiyan (UBA), the Department of Lifelong Learning and extension (DLLE), and the National Service Scheme (NSS) which caters to extension activity to the rural region.

## 20.Distance education/online education:

The institute will be aiming at developing high quality online courses and offer open & distance learning courses (ODL) courses to ensure easy access to education for students and working professionals. The institute aims at offering ODL certificate courses in areas of Pharmacovigilance, Clinical Data Management, Clinical Research, Medical coding, Medical writing, and personality development which are currently being offered as add-on courses. Adult Education and Lifelong Learning: - A) IIP has a unit of DLLE of the University of Mumbai. B) The institute will ensure suitable infrastructure to adopt lifelong learning to adult education. IIP is prepared to design courses using digital technology. In the Covid-19 pandemic, IIP has adopted LMS and online learning pedagogies to ensure uninterrupted and high quality teaching. IIP has created its own e-repository of video lectures and also contributed the highest number of lectures in Dynaganga an e-repository prepared and published by APTI Mumbai for the benefit of students all over the county. The Institute has received a certificate of appreciation for this achievement from APTI.

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Institute is affiliated to the University of Mumbai and follows curriculum framed by the University. The institution ensures effective implementation of curriculum and process is documented through following methods:

In consultation with the Principal, HOD's and IQAC, the academic calendar is prepared. In the beginning of every semester, courses are allotted to faculty according to their core competencies. The time table for the entire semester is prepared to indicate class and laboratory hours. It is mandatory for every faculty to prepare course lesson plans as per the curriculum and record actual coverage of their respective courses. Course lesson plans are notified to the students before the commencement of semester by displaying it on the notice board as well as through LMS. Monthly review meetings are conducted by Academic Monitoring Committee which includes all the H.O.D.'s for verifying adherence to each course lesson plan. Student's attendance, curriculum progress for

the individual course is monitored through course file maintained by faculty. Utmost care is taken to execute the proposed course lesson plan. However, in unavoidable circumstances, whenever a faculty is on leave, alternative arrangements are made to conduct of their respective class. Accordingly, the concerned faculty is required to accomplish the proposed lesson(s) by engaging extra lecture(s).

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

There is an effective system to identify the learning levels of the students. The students are categorized as advance and slow learners based on the performance of the students in the academics. The respective course teacher arranged interactions with the slow learners to understand the difficulties and plan for the activities accordingly. The students were asked to revise the syllabus and solve previous year question papers. The important concepts were revised and discussed. By considering the examination pattern MCQ and descriptive question banks were provided to the students. The advance learners were allotted with seminars and discussions in the live class. They were also encouraged to participate in various competitions related to the profession.

## 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The student-centric ICT-enabled approaches have been adopted by the institute to make students learn through experiential learning, participative learning, and problem-solving methodologies for enhanced learning. In connection with these, the students are promoted to use MS Office for seminars and project work which enhances their soft skills. The use of software is made for Pharmacology (X-Cology, GraphPad Prism), Pharmaceuticals (Pharmacokinetic software), and Pharmaceutical Chemistry (ChemDraw, SWISS ADME, and Mendele Reference Manager). The students carry out the review of literature utilizing various databases such as Delnet, Google Scholar, Web of Science, Science Direct, and PubMed making use of the ICT platform for their project. Further, the institute had also procured the LMS VM EDULIFE for the students for academic activities. The study material was shared through Google Drive, and WhatsApp groups. Institute has developed its own E-repository of all the video lectures by the faculty. Moreover, previous years' semester question papers, question banks, notices, and timetables pertaining to the examinations were made available on the institute website for student access from time to time. Apart from these, the online impact lecture series by renowned experts through IIC were executed using the ICT platform with active participation by the students

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound

and efficient

As institute adopted stringent, effective and transparent process for the smooth and hassle free conduct of examinations, the institute has a functional system to deal with the grievances related to the internal examinations. An Unfair Means Inquiry Committee has been established by the institute in accordance with the guidelines laid down by the University of Mumbai. The committee is chaired by the experienced faculty with one member secretary followed by three committee members. In case of any unfair means reported to the committee the students are asked to give the explanation in a meeting with the committee. If the student is found to be guilty, they are counseled and appropriate disciplinary action report(s) are recommended to the Principal. The recommendations of committee are reviewed by the principal and the final decision is forwarded to the deputy chief conductor for the implementation. The actions against such students are initiated within a period of 8 days. The internal assessment marks are shared with the students for verification. In case of any discrepancies the students are free to contact the course teacher for clarification.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Course outcomes (COs) of all courses were defined as per the University curriculum by using appropriate action verbs with reference to cognitive levels of Bloom's taxonomy. The preparation of course outcomes were initiated by respective course teacher and refinement of the COs was made and approved in institutional apex bodies. The approved COs of the respective courses were communicated to the teachers by providing the hard and soft copies. The dissemination of the approved COs to the students was done by following mechanisms: ? Published on the website ? Dictation of the respective COs in the theory and practical sessions After completion of each chapter of the course, the course teacher identifies the respective course outcome concerned

to the chapter and brought to the notice of the students.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Governing body, as the highest Executive Body, plays a crucial role in laying down policies, both academic and governance. The IQAC committee led under the chairmanship of the Principal of the Institute along with other members prepares and

executes the master plan to attain the vision, and mission statement of the institute. The institute believes in the principle of a collective decision-making process and all the members are empowered to deal with academic matters at their levels. The institute gives prime importance to the overall development of students by providing well-planned academic and extra and co-curricular activities evenly distributed throughout their semesters. The institute has in place Institute Innovation

Council, and Student Scientific Club, for taking care of the scientific temperament of students and also has active extension

units for undertaking various extension activities. The institute has adopted five villages under the Unnat Bharat Abhiyan for their development. The institute also has a good tie-up with local healthcare units, especially PHCs and Rural hospitals. The training and Placement committee of the institute arranges various training sessions on resume writing, group discussion, interview skills, and mock interviews to boost the soft skills and confidence of the students.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The institute supports effective leadership through decentralization of authority and participatory management. The decentralization governance model empowers the stakeholders. At IIP hierarchy of authority and responsibility is defined. The Management has entrusted the Principal with the responsibility of smooth conduct of both academic and administrative duties. At the beginning of the academic year, the Principal with the help of IQAC forms a number of committees under different heads of administration and the roles and responsibilities of the same are defined. Examples of committees include examination, mentoring, class coordinators, anti-ragging, etc. The Principal delegates authority to the HODs and academics in charge to supervise the academic and administrative activities of their respective departments. Each class is assigned a class coordinator, who plays the role of liaison between the students and the Head of the Departments (HOD) and has the authority to make decisions pertaining to academics. The academic monitoring committee consisting of HODs monitors all academic activities, and it works under the chairmanship of the Principal. The teaching staff is assigned roles for steering the students' council in taking the right decisions and solving arbitrations. The non-teaching staff of the college is also effectively involved in administrative activities. The Office Superintendent has the overall authority for the smooth execution of different

administrative activities for admissions, student affairs, accounts and stores, and purchases. Thus, the institute ensures the complete participation of both teaching and non-teaching staff members in administration.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Governing body is the highest Executive Body which directs and guides for laying down policies, both academic and governance to achieve the vision, and mission statement of the institute. The second top body is the CDC which prepares an overall comprehensive development plan for the college regarding academic, administrative and infrastructural growth and enables the college to foster excellence in curricular, co-curricular and extra-curricular activities. The IQAC committee led under the chairmanship of the Principal of the Institute along with other members prepares and executes the master plan to attain the vision, and mission statement of the institute. Under the mentorship of the Principal, various units like Administrative staff, Teaching staff and all other supporting staff work together to execute the master plan / academic calendar activities. The institute promotes a culture of participative management at different levels by encouraging the students,

faculty, parents and subordinate staff to participate actively by exchanging their suggestions to execute the responsibilities assigned through various institutional and management committees such as GB, CDC, IQAC, CWDC, AMC, etc. The institute has in place a separate policy for research activities and made a provision of Rs 3 Lakhs in the budget to promote research activities. The research proposals are scrutinized and approved by the institutional research committee. All the HODs of the institute are empowered to plan and execute curricular and cocurricular activities related to their department.

**6.5 - Internal Quality Assurance System**

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The institution reviews its teaching-learning process, structure and methodologies of operations and learning outcomes at periodic intervals through the IQAC. The teaching-learning processes include subject allocation, preparation of lesson plans, and monitoring. Additionally, an important aspect of the teaching and learning process involves research activities. Two practices that have been successfully executed by the IQAC are the implementation of a lesson plan under the guidance of the Academic Monitoring Committee and the generation of an e-repository

of video lectures of different courses.

1. Implementation of LMS software for effective teaching learning.
2. Extension activities through UBA and NSS units.
3. Participation of faculty in professional activities of APTI, Mumbai.
4. Participation in NIRF and ACITE CII survey ranking.
5. Promoting research culture among faculty by giving research incentives for publication, patents and financial assistance to present research work at professional events.
6. Regular IQAC, GB and CDC meetings.
7. Conducts internal academic audit.
8. Collaborative quality initiatives with other institution.
