They have to reduce our writing work and other pressure, burden. And college time they have to change. Now our college time is 9.45 am to 5.15pm instead of that 7.30am to 2 pm will be best time for students and it covers all schedule of 3 lectures and 3 hrs of practical there is no any loss of college current schedule.

because remaining half day we can complete our writing work and also we have that much time to do self study so that our study pressure gets reduce. I request to think about shifting colleges all schedule in 7.30am to 2pm.
