

### **4.3.2 Student – Computer ratio (Data for the latest completed academic year)**

#### **4.3.2.1. Number of computers available for students usage during the latest completed academic year: 2021-22**

##### **DVV Query**

The HEI has merely mentioned the number of computers and not provided any data in support of its claim. The HEI to provide Self attested, Scan copies of the stock register of the serviceable computers. The student strength does not match 2021-22 data. This must be sum total of all the students on rolls (in all the semesters) of the college as on 01 May 2022. The number of students on rolls (All the batches/semesters) in the AY that just completed, verified by the principal, to be provided. Self-attested, deployment of the computers, in a tabulated form, signed by the principal, to be provided showing clearly the number of computers for use by the students.

##### **DVV Response**

Self-attested scan copies of the stock register of serviceable computers exclusively for students' use are provided. The list of students that were enrolled for the academic year 2021-2022 and the list of the computers available for student usage with a specific location on the premises is also provided.
