**A Report on "International Yoga Day"**  
**Date: 21/06/2022**

The International Day of Yoga has been celebrated across the world annually on June 21 since 2015, following its inception in the United Nations General Assembly in 2014.[1] Yoga is a physical, mental and spiritual practice which originated in ancient India.[2] The Indian Prime Minister, Narendra Modi, in his UN address in 2014, had suggested the date of June 21, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world.

Yoga means Sanskrit: योग, lit. 'union' (with cosmos) which signifies a way of uniting an 'individual self' (living being) consciously with Cosmos in which individual is part of. According to Hindu legends, Shiva is considered to be the originator of yoga. He is said to be the Adiyogi, the first yogi (adi = "first"). Summer solstice holds importance in the yogic culture as it is considered to be the very beginning of the yoga. Yoga was brought to the people by the "Saptarishis". The Vedas explain how Shiva's second teaching as a Adiyogi was devoted to the Saptarishis. It is said that Shiva was sitting in blissful meditation for years, many people flocked to him out of curiosity, but left as he never paid attention to anyone. But seven people stayed, they were so determined to learn from Shiva, that they sat still for 84 years. After this, on the day of summer solstice, when the sun was shifting from the northern to the southern run, Shiva took notice of these 7 beings - he could no longer ignore them. The next full moon, 28 days later, Shiva turned into the Adiguru (the first teacher), and transmitted the science of yoga to the Saptarishis.

Indira Institute of Pharmacy organized yoga prakar at 8:45 am in the machine room of the institute. Mr. P.B.Gurav, HOD and faculty of Pharmaceutics department explained the importance of yoga in day today life and he demonstrated some of the yoga prakar which were then done by the students as well as faculties. First year B.Pharm students took active participation in the event and it was organized by NSS cell of the institute.

Self-defense helps to prepare you for unexpected situations and also helps to develop mental and physical health. It may be hard to imagine being attacked by a stranger, but it happens every day. ## **Report of "MISSION SAHASI" Self Defence camp**

The number of incidents of horrific atrocities has increased day by day in public places. Against this backdrop, students got the opportunity to take lessons in self-defence. To boost up the self-confidence among women and to make them prepare to fight-back, a 3-day “MISSION SAHASI: Self-defence Camp” was organised in Indra Institute of Pharmacy under College Women Development Cell.

The camp was commenced on 28th September and ended on 1st October, 2019 (5:30 pm to 7:30 pm). Mr. Suraj V. Bane, karate & martial arts black belt holder was invited to train the participants. He taught the girl students about self protection & techniques to defend. Totally 149 girl students learned the art of self defence.

Talking about the camp, the expert said “It happened a lot many times that I listened to few disturbing incidents happening with young girls and even elderly women. May it be the eve teasing or stalking, women’s face such situations because they do not know the proper mechanism to oppose. All these incidents forced me to taught self defence techniques to girls so they can learn to defend themselves from the goons.” However, many items like pins, bracelets, cosmetics near women can be used for self defence. He taught students how to use all these things in a simple way, demonstrating simple methods of self-defence.

This workshop was unique among self defence classes. It allows participants to practice full force self defence on actual people. They put on protective gear and let participants really hit them. The participants had experience what a real life situation is like, and learned that they have the strength to fight back.

Vote of thanks was proposed by Ms. Juhi Narote & Mrs. Madhura Lotankar and the programme was very well anchored by Ms. Samiksha Ambre.
