6.2.2 Implementation of e-governance in areas of operation

DVVQuery

The HEI must provide self-attested copy of the Policy document on e-governance. Such policy must bear a specific reference number, date and bear signatures of the Head of the institution. The HEI to also provide Annual e-governance report approved by Governing Council. The HEI to provide Institutional expenditure statements for the heads of E- governance implementation reflected in the audited statement. Screen shots of the user interfaces of each module claimed, signed by the principal, showing the name of the college on the log-in page must be attached. Annual e-governance report approved by Governing Council signed by the principal. The HEI to provide copy of the invoice and copy of the installation report of the ERP/ claimed modules. The HEI to provide proof of implementation of e- governance in the claimed areas of operation.

DVVResponse

We have provided self-attested copy of the Policy document on e-governance bearing a specific reference number, date and bear signatures of the Head of the institution. We have also provided Annual e-governance report approved by Governing Council. The HEI has provided the Institutional expenditure certificate signed by CA. Screen shots of the user interfaces of each module claimed, signed by the principal, showing the name of the college on the log-in page are attached. Annual e-governance report approved by Governing Council is signed by the principal. The HEI has also included proof of implementation of e- governance in the claimed areas of operation.

Outcome Based Education (OBE)

- Outcome Based Education is an approach to education in which decisions about the curriculum, instruction and assessment are driven by the exit learning outcomes that the students should demonstrate at the end of a program or a course.
- In outcome-based education, "product defines process".
- It is the opposite of input-based education where the emphasis is on the teaching and the system is happy to accept whatever is the result.

Advantages of OBE

- Clarity: An explicit statement, of what the educational process aims to achieve, clarifies the curriculum for both students and teachers, and provides a focus for teaching and learning.
- Provision of a Framework: Outcome-based education provides a robust framework for integration of the curriculum.
- Guide for Assessment: The outcomes provide the framework for student examinations.
- Facilitates Curriculum Evaluation: The outcomes provide benchmarks against which the curriculum can be judged.

Features of an Outcome Statement

- Should unambiguously state what the student should be able to do/perform.
- What the students do or perform are observable and measurable.
- Students should be able to understand what it means (comprehensible).
- Should be able to provide guidance to students in planning their learning.

Levels of Outcomes

- Program Educational Objectives
- Program Outcomes and Program Specific Outcomes

Salient Features of Inward - Outward

[Access Inward-Outward](#)

Manage Series
Customize the prefix series for your inward and outward letters to generate auto inward and outward numbers.

Manage Department
Set the departments for your inward and outward letters to classify them as per your requirement.

Manage Source
You can define the source through which inward letters are received or outward letters are being sent.

Manage Inward Letters
Add and manage the inward letters received. You can also transfer the letters to a particular employee.

Manage Outward Letters
Keep a track of the outward letters sent from your institute.

Activate Windows
Go to Settings to activate Windows.

SMS Dashboard

Secure, scalable and reliable sms platform
Banking level security, with SSL configured URL and trusted SMS partners. Start using SMS module with confidence.

SMS templates and history
Save time by creating SMS templates and using them for frequently sent messages. Also, access previously sent SMS for easy reference and re-use.

Robust and scalable infrastructure
Module is robust enough for all your needs of SMS communication. We have designed it the view of auto scaling for larger number of users.

Direct connectivity with multiple sms providers.
We have given option to opt for multiple SMS service providers for out of box solution for our valuable users.

Free of cost, pay only for SMS credits.
SMS module is not chargeable, you need pay only for SMS credits. SMS credit charges are displayed in the 'User Registration' section.

Pay as you go with zero commitments.
With zero set up cost, you can directly start using SMS module for your organisation. You just need to buy SMS credits as and when required.

Website Integration Details

Note:

- This section provides web links to integrate vmedulife platform modules to your Institute/College Website.
- You need to provide the HTML code to your developer for integration of below links to your website.
- Below code is compatible with all types of languages as it is plain HTML code.
- Integration does not require in depth knowledge, only basic HTML knowledge is sufficient for integration and can be done in minutes.
- You can add these links to all pages or in header of website to get instant access to all stakeholders of institute.
- Below links are publicly accessible, all links are having banking level security.
- It is recommended to add below links in institute website header to make it accessible on all pages of website.

- Grievance Redressal Portal Integration with Institute Website
- Institute Learning Management System Login
- Alumni Portal Integration with Institute Website
- Latest News & Events of Institute
- Teaching Learning Feedback and Analysis
- Institute Online Courses
