7.1.4 Water conservation facilities available in the Institution:

Rain Water Harvesting

Institute has a structured rainwater harvesting system in place to harness rain water and also borewell recharge plan is in process. Institute has Implemented Central government directed 'Jalshakti Abhiyan' at Institute which target maximum catchment of rain water through rooftop models. Indira Institute of Pharmacy wish to present project executed by the institute under scheme 'Jalshakti Abhiyan'. We at institute level structured a movement named "Catch the Rain" through which we have constructed a rain water harvesting system. Institute has 1800 SqMtr rooftop area which approximately catches 51, 64,560 liters of water annually during rainy season. Institute has taken appropriate measure to recycle waste water. Waste water is also used for watering the trees and also for gardening purpose.
