INDIRA INSTITUTE OF PHARMACY

A Report on webinar “Nanoparticle as drug delivery system”

Date: 15/08/2020

Department of Pharmaceutics of Indira Institute of Pharmacy, Sadavali organized a webinar on the topic “Nanoparticle as drug delivery system” on 15/08/2020 through virtual mode. The resource person for present webinar was Dr. Deepa Warriar, Bombay College of Pharmacy, Mumbai. The 55 students were guided on structural elucidation of compound using various spectroscopic techniques. The webinar highlighted following key points;

1. Overview of nanoparticle based system
2. Design, evaluation and types of nanoparticle
3. Application of nanoparticles in drug delivery

Cordially invites you all for
The Webinar on
“Nanoparticles as drug delivery system”

Resource person

Ms. Deepa U. Warriar

Senior Research Fellow: DST
Bombay College of Pharmacy,
Mumbai

On 15th August 2020
10 a.m.

Webinar content

1. Formulation approaches of nanoparticles
2. Fabrication techniques of nanoparticles
3. Characterization of nanoparticles
4. Biodistribution characteristics of nanoparticles
5. Applications of nanoparticles for drug delivery
