INDIRA INSTITUTE OF PHARMACY

A Report on webinar “Scope and opportunity in pharmacovigilance”

Date: 20/06/2020

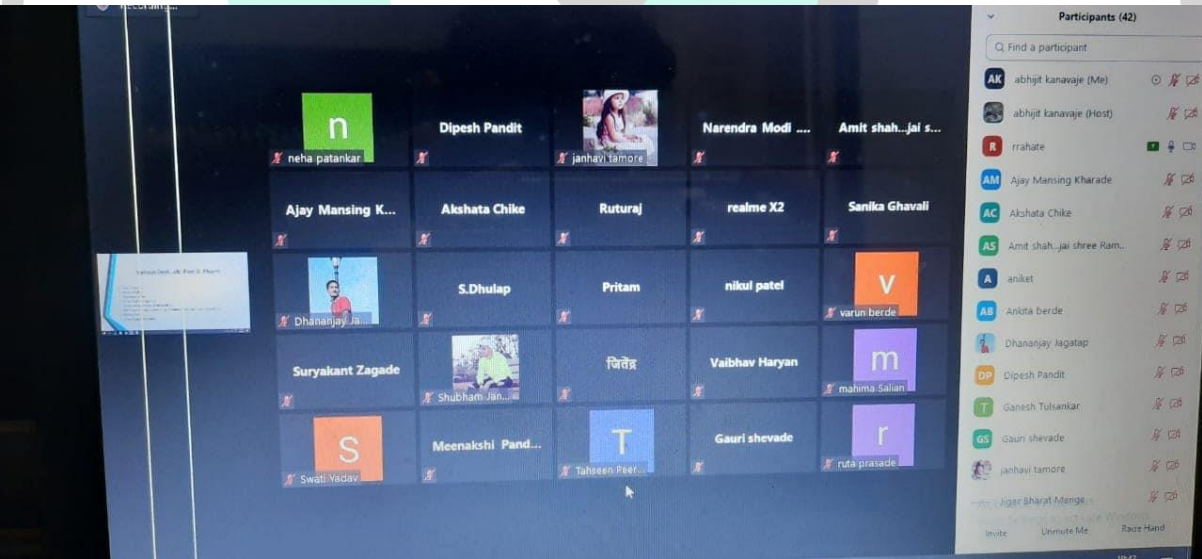

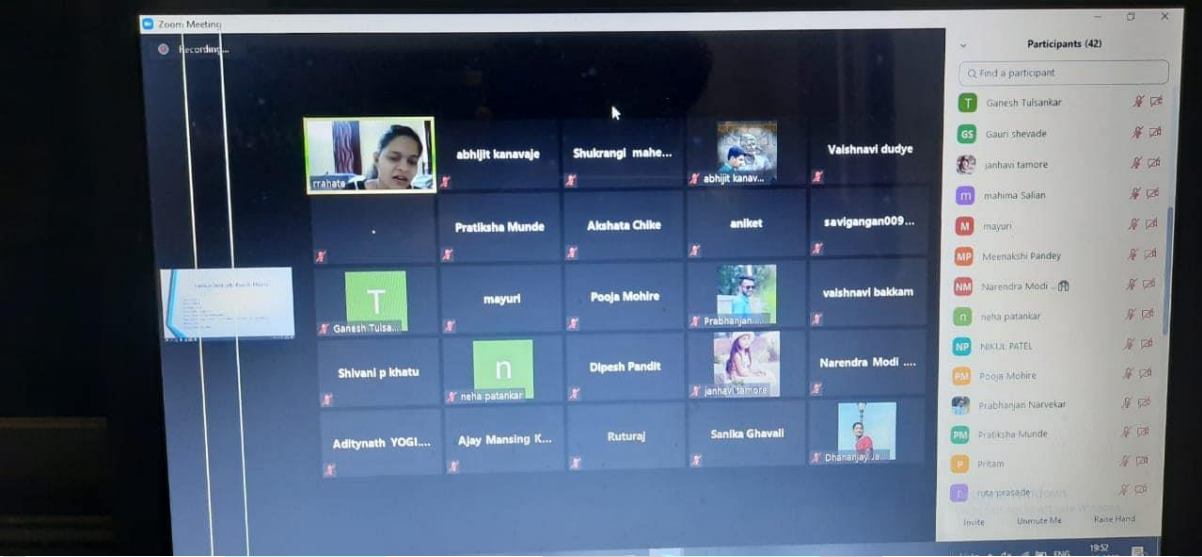

The students of the future will demand the learning support that is appropriate for their context ... and they want it at the moment the need arises. Not sooner, not later. The online interaction with the expertise during the lockdown will be a key technology to provide that learning support...During this lockdown our Alumni Association, IQAC and Training and Placement cell has started a alumni talk series ...The second episode of this series was conducted by Miss. Rutuja rhatae, medical writer, Pune delivered the valuable information regarding scope and opportunity in pharmacovigilance.

TCS interview structure for fresher. About 42 students were actively participated for this program...We sincerely thank Miss. RUTUJA for sharing all the valuable information and her expertise in Pharmacovigilance that will definitely help to our students....
